

EUROPEAN WAR SCARE STARTED BY SERVA'S DEFIANCE OF AUSTRIA

SERVA RUSHING ARMY ON TO DURAZZO

Europe's Peace Hangs on
Thread; Powers May be
Fighting Within a Week

ENGLAND HAS SECRETLY PREPARED FOR A CRISIS

Entry of Four Christian Kings
Into Constantinople Will be
Solemn Ceremony

CONSTANTZA, Nov. 9.—Constantinople reports say the proclamation of a holy war has frenzied the Turks, who have already begun to slaughter Christians. It is understood the butchery began in the foreign business section. Guards about the consulates have been doubled.

LONDON, Nov. 9.—It was learned today that Serbia, defying Austria's warnings and demands, is rushing an army under General Yankovitch to seize Durazzo, a Turkish seaport on the Adriatic. Austria has virtually threatened to invade Serbia if her warnings are ignored. Russia is doubtlessly backing Serbia, and an immediate crisis is probable.

Only the most delicate diplomacy will now avert a European war, and every diplomat in London admits that peace hangs by a thread. Whether England, France and Russia will be fighting Germany, Austria and Italy within a week is problematical, but the worst is feared, and it seems certain that this situation will prevail. Serbia's defiant answer to Austria's note of warning has thrown all Europe into a war scare.

England's naval preparations, for such a contingency, are already extensive. The government, fearing the present situation would occur, has been working secretly, not wishing to inflame Germany. The crisis is considered a grave one, and the British cabinet is meeting at the foreign office today. If Serbia had only left Austria's demands to arbitration, or consented to negotiate or waited a few days for the diplomats to think the situation over, there would have been good grounds for peace. They are working frantically to preserve peace, with little hope of success.

Furious Battle on Defense Line
SEMLIN, Hungary, Nov. 9.—Reports of a furious battle along the Tschatalja fortifications with the Bulgars repeatedly charging. Nazim Pasha's defenders were received to day from Bulgarian sources. Asiatic troops are reported as reinforcing the Turks.

Reports Are Conflicting
PARIS, Nov. 9.—Contradictory reports poured in today regarding the Constantinople situation. One report stated that Sheikh Uli Islam, head of the hierarchy in Turkey, had proclaimed a holy war to incite Mohammedans to massacre Christians. Bulgarian officials denied that their forces had captured the Chatalja forts. This is believed to have been done to prevent the powers from protesting against the entrance of the Bulgars into Constantinople.

May Rescue Americans
WASHINGTON, Nov. 9.—The American revenue cutter Unalga, en route around the world, was today notified to await further orders at Suez. It is believed it will be placed at the disposal of Ambassador Rockhill to rescue Americans in Turkey.

**HIGH MASS TO CELEBRATE
THE DOWNFALL OF ISLAM**
SOFIA, Nov. 9.—Surpassing in solemnity and significance any event in the history of Europe in the past five hundred years, are the plans of Czar Ferdinand of Bulgaria to end the Turkish war by a forcible entry into Constantinople. Announcement is made that King Peter of Serbia and King George of Greece have accepted the invitation, along with Nicholas of Montenegro, to assist in the downfall of Islam, which will be celebrated with a solemn mass in the mosque of St. Sophia. The date of the entry of the four Christian kings into Constantinople, is not yet announced, but is expected to be postponed until Turkey's power is finally broken.

RIGHTS OF INDIANS CASE

The Keetoowahs object to the freedmen participating in the distribution of the tribal assets.

Gen. Wood Says Monroe Creed May Cause War

CAMBRIDGE, Mass., Nov. 9.—Gen. Leonard Wood, in an address before the Harvard students, predicted a war with European nations as a result of United States policies in respect to the Monroe Doctrine and the acquisition of coaling stations in South and North America by European nations.

"The United States is wholly unprepared to meet any sudden military attack," he said, "and it is most probable that we shall have a war which we shall have to fight unaided

in the not distant future." His subject was "The Military Policy of the United States," and he asserted that he was not preaching jingoism or militarism.

"The Monroe Doctrine and the policy of this country in not allowing even commercial coaling stations of other powers in American waters are things which are practically sure to cramp foreign nations at some time. War comes quickly nowadays, and usually no significant warning is given when the first blow is struck."

JACK JOHNSON IN CHICAGO JAIL

Held on Charge of White Slavery; Confined in Cell 4½ Feet by 8

CHICAGO, Nov. 9.—Jack Johnson, the negro pugilist, is still in jail today. His friends admit his future looks rather cheerless. The size of Johnson's cell is four and a half by eight feet. He awoke this morning at 7:30, chinned himself on his cell bars and shadow boxed for a few minutes. His guards refused to converse with him, although he is permitted to obtain food from a restaurant.

Albert Jones, the rejected bondsman, must show why he is not in contempt of court in signing a \$30,000 bond when he was not qualified. Johnson is held on a white slavery charge.

REPORT THAT SENATOR BAILEY HAS RESIGNED

AUSTIN, Tex., Nov. 9.—Rumors are current today that Senator Bailey has resigned, to be effective before the December session of Congress. Governor Colquitt admitted the matter has been mentioned to him, and is prepared to appoint R. M. Johnstone of Houston to fill the vacancy.

POWERFUL POINT LOMA WIRELESS

Station Exchanges Messages With New Wireless Station at Arlington, Va.

SAN DIEGO, Nov. 9.—Messages were exchanged Thursday night by the navy wireless station on Point Loma and the big new navy wireless station at Arlington, Va., near Washington, D. C., approximately 3500 miles across country. This is the first time messages from the wireless station near Washington have been so distinct on this coast.

The new plant at Point Loma is one of the most powerful in the world, as a result of improvements completed recently. The aerial now is 300 feet above ground and about 800 feet above sea level. The signals were unusually clear and distinct, say the local operators, who predict that since the Arlington station has now been tuned correctly they will be able to receive the signals sent out every evening.

LYNCHBURG, Va., Nov. 9.—Fire nearly wiped out the town of Brookneal, in Campbell county, yesterday, causing over \$100,000 damage. Twenty-five buildings, including the bank, the Methodist church, and every business house save three, were destroyed. Dynamite was used to check the flames.

Confessed to Robberies In Orange County Towns

Sheriff Ruddock went to Pasadena this morning to investigate the case of John Sisco and Floyd King, under arrest there for burglary, and who confessed to the Pasadena officers that they had recently robbed stores in Santa Ana and Anaheim, among other places.

The men were arrested Thursday night while in the act of burglarizing a Pasadena store. A policeman heard them and entered the store to have a revolver pointed at his head, and the thief apparently was afraid to shoot, and was disarmed. On being questioned the men admitted to a

long criminal record, and, according to the dispatches, stated that recently they had robbed clothing stores in Santa Ana and Anaheim. The Wardrobe here was recently entered, by thieves, as was the S. Q. R. clothing store at Anaheim. The officers think it may have been these stores to which the men refer, but are more inclined, from the reports of the character of the men, to think that they were those of till-tapping, such as that at Hawley's gun store recently. No definite information has been received here as to what confession the men made.

BANDITS LOOT S. P. TRAIN

Brakeman Slays One Bandit;
Two Others Escape With
Registered Mail

REDDING, Cal., Nov. 9.—The Shasta Limited, Redding, was held up at Delta, thirty-five miles north of Redding, at 8:30 o'clock last evening by three masked bandits. One of them was slain by a brakeman. The two others escaped with the registered mail. The train had stopped for water and was about 100 yards on its way when the locomotive hit a torpedo. Henry Wentz, the engineer, brought the train to a stop.

As he did so a robber with a revolver climbed over the tender and ordered him to keep quiet.

At the same time two other bandits invaded the mail car, covered the two mail clerks and began rifling the registered mail.

Tom Sanford, the brakeman, escaped the eyes of the robbers, ran a hundred yards to a saloon and borrowed a revolver. He ran back to the railroad, saw one robber by the light of the engine and shot him.

The crack of the revolver warned those in the mail car that the holdup was discovered. They grabbed the registered mail, jumped out and disappeared.

Passengers were not disturbed. The slain bandit has not been identified.

BEEF JUMPS TWO CENTS AT SAN DIEGO

High Prices Likely to Prevail
at Least Until After the
Holidays

SAN DIEGO, Nov. 9.—Prosperity is hitting San Diego with striking swiftness since the election of Wilson is assured. Wholesalers yesterday announced an advance of 2 cents a pound in the price of beef. Retailers will make corresponding advances. Butchers say indications are that the high prices will prevail at least until after the holidays.

Grocers are preparing to advertise rice and cereals as a substitute for meat. So far as learned the people are not preparing to hold ratification meetings as a result of the announcement.

FEARED U. S. BALLOONISTS ARE RUSSIA'S PRISONERS

BERLIN, Nov. 9.—It is feared here that Watts and Alter-Holt, American aeronauts piloting the Dusseldorf, the German entry in the Gordon-Bennett international balloon race are being held prisoners in Russia. No word has been received from the Americans since the first announcement that they had landed safely about forty miles from Moscow.

MORE GUESSING ON THE NEXT CABINET

NEW YORK, Nov. 9.—Senators O'Gorman of New York, Raynor of Maryland and Reed of Missouri are mentioned today as possibilities for Wilson's cabinet. The only thing standing in the way of their selection, it is believed, is the fear that others than progressive Democrats would be elected to their places.

GOV. JOHNSON REQUESTS NO FORMAL WELCOME

SACRAMENTO, Nov. 9.—Complying with the wishes of Governor Johnson, expressed in a telegram from Omaha, the Progressives of the county will not accord him a formal welcome on his arrival Sunday, but are preparing to meet and congratulate him on his campaign. Governor Johnson will be at his desk Monday.

LABOR FEDERATION'S APPROVAL OF COURT

Says New Supreme Court Rules on Issuing Injunctions are Result of Federation's Influence

WASHINGTON, Nov. 9.—An unusual announcement came from the American Federation of Labor yesterday, praising the United States Supreme Court for striking at abuses of the writ of injunction. This changing, by the court, of rules in regard to the issuing of preliminary injunctions and temporary restraining orders is included in a revision of the procedure in equity cases in federal courts, announced by Chief Justice White only a few days ago. The new rules adopted by the supreme court restrict the issuing of preliminary injunctions without notice to the party enjoined.

Here is the formal comment that came from the American Federation of Labor:

"That the influence, attitude and remonstrances of the American Federation of Labor against the abuse by the federal judges of the injunctive writ in labor disputes has finally had its effect on the highest legal tribunal of the United States is evident. For many months the judges of the supreme court of the United States have been at work on a new set of rules governing practice before the courts of equity in the United States. On November 4 the result of the conclusions of the judges was promulgated in a document. While the rule put forth by the United States supreme court in preliminary injunctions and temporary restraining orders does not meet with the approval of the American Federation of Labor, yet the action taken in prescribing the practice relative to these writs is a step in the right direction."

INTERNATIONAL YACHT CONTESTS

Commodores of Yacht Clubs

19 to Plan 1915 Races

SAN FRANCISCO, Nov. 9.—For the purpose of arranging for a series of great international yacht and motorboat races here in 1915, President Charles C. Moore of the Panama-Pacific International Exposition has wired to the leading yacht clubs of the United States, urging that the commodores come to San Francisco Nov. 19, to attend an important conference with Sir Thomas Lipton, who will reach here on that date. Sir Thomas is coming to San Francisco on the invitation of the exposition, and the conference promises to be one of the most important in the yachting annals of the country.

ROOSEVELT TAKES UP OUTLOOK WORK

Taboos Politics; Resumes His
Editorial Duties; Refuses
Accident Benefits

OYSTER BAY, N. Y., Nov. 9.—Colonel Roosevelt reached home yesterday evening after a day in his Outlook office, the first in nearly six weeks. He busied himself getting back into full swing with his editorial work. Politics were tabooed.

The colonel declined to talk to the newspaper men, and his only callers were Bainbridge Colby and William H. Hotchkiss.

Just before 5 o'clock he was joined by Mrs. Roosevelt, and together they motored back to Sagamore Hill.

Declines Accident Policy
NEW YORK, Nov. 9.—When Mr. Roosevelt was informed yesterday that an accident policy for \$25,000 had been taken out last June in behalf of his family by the Outlook and that the policy was still in force when he was shot he declined to accept any indemnity and directed that the policy be surrendered.

Small Fruit Bushes.

Current and gooseberry bushes are frequently neglected during the summer months. Keep the weeds down and the soil stirred. These small fruits like a rich and moist soil, and they will not thrive struggling with weeds and dry soil. Mulching in dry weather will promote growth and development of fruiting branches. For worms on the leaves, spray with paris green solution.

Auction Bidding by Electricity.

Dutch market gardeners do not take their produce to the "middleman," but make him come to them and purchase it. They have co-operative auction marts, and the produce is sold by auction run by electricity, at which quality is guaranteed by the Growers' Co-operative Society. At the auction not a word is said beyond the announcement of the quantity in the lot for sale. There is an electric push below each merchant's seat communicating with a clock face with numbers on it. The pointer on the dial face is set going. When it reaches the figure some merchant is willing to pay he touches his push, the pointer stops, and without any possibility of mistake and without any one except the clerks knowing the buyer's name, the goods change hands.

STATE'S VOTE STILL IN DOUBT

Confusion in Figures and Delayed Returns Make a Hopeless Mix-Up

ROOSEVELT NOW ABOUT
700 TO THE GOOD

Official Canvass Will Certainly
be Necessary to Show Who
Wins State

SAN FRANCISCO, Nov. 9.—With a dozen varying computations of the California result the question of whether Roosevelt or Wilson carried the state is as much a mystery as when the polls closed Tuesday. A survey of all counts indicated that Roosevelt has at present a plurality of between 600 and 700 votes, which it is believed doubtful that Wilson can overcome.

Although most lists of alleged returns give only one precinct missing in San Diego county, advices today state that thirteen precincts are still missing from the official list. Election boards in those precincts failed to send unofficial returns and the ballots are locked in boxes not to be opened until Monday. This condition exists in many other counties.

Adding to the general mixup is the fact that the northern counties of Humboldt, Lassen, Mariposa, Mendocino, Placer, Sierra, Siskiyou, Tehama and Trinity are cut off by storms and many precincts are not yet reported. It is not even possible to state definitely how many precincts in the state are missing, as no central office is available. The probabilities are that about ninety are unreported. Some will give pluralities to Roosevelt of gain or loss is impossible to forecast until the last ballot is scanned.

Indications grow stronger this afternoon that Roosevelt has carried California. Revised corrected returns so far as available come from all but 85 precincts of the state. These indicate Roosevelt's plurality at 982, which, though inaccurate, is believed to give Roosevelt the state.

**ELECTION ENTHUSIASTS TURN
EYES TO OFFICIAL COUNT**
SACRAMENTO, Nov. 9.—Since an official count will probably be necessary to determine whether Roosevelt or Wilson has carried California, the eyes of several thousand enthusiasts, who have bet money on the result, are turned to the office of Secretary of State Frank Jordan, who is required by law to certify the final and official returns to Governor Johnson.

This certificate must be made by Monday, November 25. All precinct returns in all of the fifty-three counties will be canvassed by the respective boards of supervisors or election commissions, beginning next Monday morning.

The county clerks will then certify to the Secretary of State the total vote on each candidate and for and against each measure appearing on the ballot. Jordan will begin tabulating the returns from the counties as soon as the first ones arrive.

San Diego's Vote
SAN DIEGO, Nov. 9.—In San Diego county Wilson has a plurality of 1711, with one precinct missing.

**TAFT HAS TO HUSTLE TO
GET IDAHO FROM WILSON**

BOISE, Nov. 9.—Unless Taft, in the complete returns, gains enough to overcome the lead of 574 now held by Wilson on incomplete returns, the state will go to Wilson. Two counties are yet to be heard from.

Wyoming Certain for Wilson
CHEYENNE, Nov. 9.—Practically complete returns make it certain that Wyoming will fall into the Wilson column. Both sides claim the legislature.

**S. A. V. I. COMPANY
TO BUILD NEW HOME**

ORANGE, Nov. 9.—Directors of the S. A. V. I. Company have definitely decided to erect a new and modern office building, to replace the present wooden structure which has been in use for a quarter of a century and which is too small for the needs of the company. The site for the new building has not been selected yet, but several locations are under consideration, and a decision will be made shortly. The new building is to be of reinforced concrete and will be modernly equipped. The matter of a new building has been under consideration for some time.

TEACHERS GET ACQUAINTED

Anaheim P.-T. Association Entertains New Members of High School Faculty

ANAHEIM, Nov. 9.—The Parent-Teachers Association of Anaheim was entertained at its first gathering of the year at the big auditorium of the High School. There are six new teachers in the local high school this year and quite a few more in the grammar schools of this city, so the convention, on Tuesday evening, was a "get acquainted" meeting.

The opening prayer was read by Rev. Sutherland of the Methodist church. Miss Veda Walker then entertained with two readings. Mrs. Bartlett, of the art and music department of the high school then sang a solo. A violin duet by Helena Goodale and Clarence Chamberlain of the high school orchestra was next on the program. This was followed by an address of welcome by Prof. J. F. Walker, principal of the high school, as a parent rather than a teacher. Prof. Van Derveer of the Lincoln school made the reply for the teachers of this city. A short business meeting then ensued, followed by a social hour during which the parents and teachers met and got acquainted with each other.

Anaheim Defeated Fullerton
The Anaheim basketball players defeated Fullerton on their own court Thursday afternoon by the score, 23 to 21. The game was hardly fought throughout, school spirit was very much in evidence. Fullerton took the lead at the start and had everything their own way during the first half, piling up nine points to Anaheim's four. Two fresh teams were pitted against each other in the second period of play in which the blue and gold boys caught up to and nosed out a victory. The teams were animated throughout the entire game, each was out for the other's blood. The Anaheim team again showed their ability to come up from behind and win games.

The local boys have yet to lose their first game, which is a record unprecedented in the history of the school. Out of the four games played three were won and the fourth tied. Anaheim beat Downey twice, Fullerton once, and tied with the latter. Each side used practically different teams each half, the line-up was:

First Half		Fullerton	
Anaheim	F	Porter	
Krause	G	Huyzerodt	
Maas	C	Schultz	
Elliott	C		
A. & C. Chamberlain	G	Hale	
Coombs	F	Kramer	
Second Half		Fullerton	
Beebe	F	Ford	
Fergus	G	Welton	
Elliott	C	Hale	
Miller	G	Ortego	
Hemmerling	F	Miller	

The scoring was done by: Porter 3, Kramer 5, Hale 1, for Fullerton the first half, against Coombs 4 for Anaheim. In the second half Ford scored 7, Miller 3, and Welton 2 for Fullerton, while Beebe made 6, Hemmerling 11, and Miller 2 for Anaheim.

The meeting opened with devotional exercises led by Mrs. Forline, and the song, "Somebody Did a Golden Deed." The resignation of the teacher, Mrs. H. H. Forline, was received with many regrets and Mrs. Ellis was elected teacher in her place.

Mrs. C. P. Marshall was elected to the presidency, which office was vacated by Mrs. Ellis becoming teacher. Business matters being disposed of, the ladies were entertained with a talk by Mrs. F. H. Spence on Alaska, and a song by Mrs. Currier, "For-sake Me Not." A delicious luncheon was served, consisting of chicken pates, pickles and sandwiches, coffee, and pink and white chocolate cake.

Tustin Twelve

The Tustin Twelve will meet with Mrs. Chas. Artz next Tuesday afternoon.

Presbyterian Church

The business meeting of the Presbyterian Christian Endeavor Society will be postponed from tonight until Monday night, and will be held at the Presbyterian Manse.

Advent Christian

Regular services will be held at the Advent Christian church next Sunday. Sunday school, 10 a.m.; preaching at 11 o'clock. Subject: II Tim. 3:16. "All Scripture is Given by Inspiration of God." On Sunday evening the latter girl and boy will deliver a lecture on the Life of Christ. These children, by means of a system of maps invented by their father and mother, are able to give a wonderful exposition of Bible history, making it intensely interesting to all who hear them. All who attend will have a treat.

Special evangelistic meetings will be conducted at the same church every evening throughout next week. The pastor, Rev. Mr. Shannon, has been engaged in evangelistic work for many years in Oklahoma, and the meetings next week will no doubt prove very helpful to the church. All are cordially invited to attend.

The Women's Home and Foreign Missionary Society of the Advent Christian church will meet with Mrs. Friel next Tuesday afternoon.

WALNUT CROP BETTER THAN WAS EXPECTED

The walnut season around Tustin is rounding up and the outcome is even better than anticipated. A typical grove of the many in this district is that of C. P. Marshall, on Glen avenue. Mr. Marshall has six acres of full bearing trees and four acres of young trees just beginning to bear, and he sold from the combined acreage about four tons, netting \$1100.

The new house built by C. B. Johnson has been completed and is now occupied.

Mr. Dowell's new residence, which he is building on Laguna avenue, is being plastered.

The glass front of the hardware store, now being put in, will present a fine appearance and is a splendid addition to the north side of Main street.

The new garage on the corner of Third and C streets is going up rapidly, the walls being built of concrete.

The foundation for the new addition to the Tustin Lemon Association packing house is being completed.

The bean factory has been running this week, but the bean season is nearing the end and will close perhaps in two or three days.

Tomatoes are still being harvested and will continue to be for some time yet.

Death of Former Resident

The friends of Mrs. John Dryer deeply sympathize with her in the loss of her sister, Mrs. D. Van Horn, a former well known resident of Tustin. Mrs. Van Horn was also a sister of Mrs. D. P. Walters of Fairhaven street. She visited Tustin just a few days before her death and seemed in fair health, but upon reaching Los Angeles on Nov. 5, she was taken with acute pneumonia, which seemed to develop a heart weakness, this becoming the immediate cause of her sudden death.

Mrs. Van Horn has been living in Imperial Valley for the past few years, where she and her husband have been very successful in ranching. They but recently returned from a pleasant trip East to see relatives and friends, who will all be deeply grieved to hear of her unexpected death, which will come as a shock to them.

The Sunday School Lesson

As Taught at the Bible Institute of Los Angeles by Rev. J. H. Sammis.

WINE AND WICKEDNESS

"World's Temperance Lesson" POLITICAL AND SOCIAL CONDITIONS.

1. God's Ideal Kingdom of Israel was one twelve-tribe kingdom, walking in holiness and fraternal unity before Him. (Ps. 133; Josh. 22:26, 27).

2. Under David and Solomon the united kingdom reached its zenith of temporal glory (I Kg. 10:1-9).

3. At Solomon's death it was divided (I Kg. 11:11-13; 12:16); the southern section was called "Judah," the northern "Israel." The latter was also called "Samaria," from its capital and "Ephraim," from its large tribe.

4. Under Jeroboam II (Kg. 14:23), after a long and fluctuating career under many idolatrous dynasties, it reached its highest point of worldly prosperity (note extent and luxury, II Kg. 14:23, 25; Am. 1:1; 6:3-8), and its lowest of idolatrous immorality.

5. Hosea prophesied over sixty years, (1) the latter of which were contemporaneous with Jeroboam, and most of which with Isaiah's long period in Judah (see time marks and moral conditions, Isa. 1:1; II, and Hosea 1:1, and throughout). (2) Our prophecy pictures the conditions. Hosea says, "There is naught but swearing and breaking faith, and killing and stealing, and committing adultery, they break out and blood touches blood" (the flowing streams and pools now into one). The symbol of the inspiration of such a hell on earth in the prophet, in other Scripture, in our own observation is "strong drink." What a devil it is!

6. Edersheim says, of this period in Israel, "A more terrible picture of religious degeneracy and public and private wickedness could scarcely be imagined than that painted by the prophets in the most prosperous period of Israel's history. Thus the goodness of God, misunderstood by an apostate people which attributed all to its own powers (Am. 6:13), was only abused to further sin (Hos. 13:6). A people which could not be humbled by judgments, and to which every mercy becomes only the occasion of deeper guilt, was ripe for that final doom which the prophets predicted." Apply each of those phrases and see how they fit the soul in the grip of drink. To this add the testimony of Gieke, "The apparent prosperity (like the drunkard's 'good time') was only a phosphorescence on decay. Society had become corrupt, drunkenness and debauchery spread. Even the women were given to their cups and this is increasingly true in our own land. If you doubt, visit the fashionable society hotels and restaurants. The great ladies of Samaria are described as greedy for drink. Such sensuality and profuseness led to all other vices (wine and wickedness are wanton sisters). The passion for money became general."

II. HISTORY AND PROPHECY.

1. Gibbon, the historian, wrote of the decline and fall of the Roman Empire. The prophets before had done the same for Assyria, Egypt, Babylon, Tyre, Sidon, Greece and Rome. The latter includes our own civilization and nation. In every case ruin has followed godlessness, greed, gluttony, an insatiable lust for license, liquor, luxury. With individuals and peoples there is a beginning in simplicity, sobriety, righteousness, and industry, resulting in progressive prosperity in wealth, power, glory; but issuing in selfishness, injustice, oppression, strife, robbery, and excesses of all kinds; with contrasting superabundance and want, merry making and misery, anarchy and ruin. We say of such nations and individuals that they are drunk, "intoxicated" with prosperity, and we see them staggering on to a fall from which they shall not rise. Let every youth who studies Hosea today know that if he would save his life in this world and the next; if he would be a savior of his fellow men or his country, he must practice godliness, contentment, and self-control, and set his face like a flint against the spirit that rules around him.

III. QUOTATIONS FROM HOSEA.

"Whoredom and wine and new wine take away the understanding." "There doings will not suffer them to turn unto God." They "make themselves sick with the heat of wine." "For the men themselves go apart with harlots." "Ephraim is joined to his idols (vices?) let him alone." "Woe unto them, for they have wandered from Me; destruction unto them, for they have transgressed against Me." "Their glory shall fly away like a bird." "The iniquity of Ephraim is bound up, his sin is laid up in store (a treasure of wrath, see Ro. 2:5)." "They have sown the wind, they shall reap the whirlwind." "Gray hairs are here and there upon him and he knows it not" (the imperceptible gripping of habit, the insidious inroads of physical and moral decay). Teachers who cannot find apt lessons here should resign their office.

IV. THE GOSPEL IN HOSEA.

This we must not miss. (1) Hosea likens Israel to an adulterous wife who has forsaken Jehovah, her good "lover." (2) He tells us to "love" self to many "lovers" (false gods, false trusts, false pleasures), and even credits the good providence of the Lord to her idol lovers. What could be more provoking and wicked? (3) Yet the prophet bears most pathetic assurances of Jehovah's faithful love, bids Israel, "Take with you words and return to Jehovah; say unto him, take away all iniquity" (14:2); and promises, "I will be as the dew unto Israel" (14:5); and open a door of hope" (2:15) for her. "How can I give thee up, O Ephraim." Hosea is the best of all love stories, not excepting Solomon's Song. Come and say with Israel, "What have I any more to do with idols?" (14:8).

"Who is wise and he shall understand these things? prudent and he shall know them: for the ways of the Lord are right, and the just shall walk in them; but the transgressors shall fall therein" (14:9).

Strength

The strength of a banking institution consists not alone in its financial resources but also in the character and ability of its officers and directors and in the confidence and loyalty given it by the community of which it is a part. These banks are pre-eminently strong in ALL respects.

Service

The proper conception of a banking institution's duties and privileges includes service to its community. A bank must pay its stockholders a fair rate of interest in order to secure and hold investments in its stock; but its duty does not end here; it must also render REAL SERVICE to its community in the way of public enterprises and private support. These banks point with pride to their records in these respects.

Solvency

A banking institution to be really and truly solvent must have more and other assets than merely money and credits in excess of its money liabilities. It must have a surplus of character, a reserve fund of reputation, a credit balance of experience, large and moral resources. These banks invite examination as to their moral solvency.

The long delayed corrugated galvanized iron has come in and we now have nearly sixty thousand (60,000) feet in stock, comprising all lengths (6, 7, 8, 9 and 10 feet) and we propose to sell it at four and three-fourths (4¾) cents per square foot.

This is below the present wholesale market price, but we placed our orders a long time ago and the goods have advanced considerably during the delays of shipment.

This is the price delivered at our wareroom and this price will hold until we have to buy again.

We handle only the standard weight corrugated iron. There is a lighter article on the market, but we don't handle it.

THE TABOO ON MODERATE DRINKING

The use of alcohol is receiving some hard knocks these days. A prominent railway system, not content with the general rule heretofore in force on railways forbidding employees to drink while on duty, now forbids employees to indulge at all in drinking out of employment hours, or in any other conduct which will impair their health or make them less alert and less capable while on duty. The owner of one of the nation's pet—a prominent baseball team—announces that moderation in drinking is not sufficient; the players on his team must leave alcohol entirely alone and abandon cigarettes.

The justification for such rules may be found not only in the difficulty of being moderate in indulgence, but also in the cumulative and after-effects of dissipation. The world is moving; the old fetich of "personal liberty" at whatever cost of danger to the public at large seems to be losing its power. The Journal of the American Medical Association thinks that the time may come when every man to whom the life and safety of others are entrusted may be expected or even required to be as abstemious as ball-players and railway employees.

RAPID DEVELOPMENT

The rapidity of the development of California's agricultural resources is amazing. It is not generally known. In a single monthly report (for October, 1912) the California Development Board gives this information:

Sales of large tracts of land for subdivision and colonization, etc., are reported from every quarter of the state. Among them are: Seven thousand acres of Dougherty estate, Contra Costa County to Tessajara Land Company at \$1,000,000; 23,000 acres the Hoxie-Shields Ranch, Shasta County, to C. C. Moore, president of the Panama-Pacific International Exposition, for \$125,000; tract of 439 acres in Sutter county sold for \$40,000; trees and vines are to be planted. Stine & Kendrick have bought 14,000-acre tract of Tubbs-Tuttle river lands in Yolo and Colusa counties and are now subdividing it. It will be known as the Riverside Garden Farms.

A syndicate has bought 10,000 acres in Sutter county at \$37.50 per acre for reclamation and subdivision. Four sections in Coalinga field sold at \$1,000,000 by A. L. Myerstein to J. D. Martin.

It is said that 5000 acres in Northern California will be put in rice next season. From the 1700 acres planted this year the yield is estimated at 600,000 sacks. Hindoos are buying rice land in Butte and Sutter counties. Japanese lease for five years at \$50,000 300 acres for a hop ranch near Nicolaus, Sutter County.

CASCARETS CLEANSE LIVER AND BOWELS

No Headache, Bad Taste, Sour Stomach or Coated Tongue by Morning

It is more necessary that you keep your bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.

Are you keeping clean inside with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.—Advertisement.

C. F. Crose Host to Those Who Were Aides in Year of Service as Worthy Patron

The beautiful new home of Mr. and Mrs. C. F. Crose on Pine and Cypress streets was beautifully adorned last evening with richly colored autumn leaves in the hands of the guests of Mr. Crose who was host to the officers serving with him during his term as worthy patron of Hermosa Chapter, O. E. S. He was assisted in receiving by Mrs. Crose, Mr. and Mrs. F. C. Rowland and Mrs. George Balderston, worthy matron of Hermosa chapter.

A delightful musical program was rendered by Mr. and Mrs. W. F. Crose, brother and sister-in-law of the host; Miss Crose and Mr. and Mrs. F. C. Rowland. Progressive games followed this greatly enjoyed period of music, fruitage being served before the beginning of the games. Refreshments of delectable kind were served later.

Socialists' Open Forum

The Socialists' Thursday evening open forum was well attended and divers were the reasons given by Socialists for voting their ticket. "For the family and home," "For future generations," "For humanity in general," "For the abolition of child labor and long hours for working men" and "The doing away with the profit system" were among the reasons given, while some had turned to Socialism because of disappointment in Grover Cleveland.

Two high school lads had not voted the Socialist ticket on account of their youth, while non-socialists were very shy in expressing any reasons or opinions.

An open forum will be the program for next Thursday meeting of the Socialists.

BEAUTIFUL PARTIES

Mrs. Balderston Entertains Delightfully With Two Functions This Week

The decorations were of Japanese motif and the ladies were gowned in a Japanese. Ferns, autumn leaves and chrysanthemums, with pumpkins and grass were used in floral decorations. The colors of the five points of the Easter Star were used in the dining room, and Japanese umbrellas and lanterns, with autumn leaves and baskets of fruit uniting with these produced a gorgeous effect.

Whist and flinch were played, Mrs. J. S. Wasser, Mrs. Wilbur Wasser and Mrs. C. F. Crose being the prize winners. Misses Irma and Helen Reinhaus, Doris Robbins and Louise Grubb assisted the hostess, gowned in kimono. Salvation Army Singer Here

Special attention is called to the visit of Envoys McGlashen for the week-end, to Santa Ana. This beautiful singer has paid several visits to this city, and all who have been privileged to hear her, will welcome the envoy's return. This evening in the Salvation Army hall on Sycamore street, she will sing, and again on Sunday morning in the hall at 11 o'clock. In connection with the Memorial services to the memory of Mrs. Capt. W. T. Sochen, she will be present at the First Presbyterian church in the afternoon and in the Army hall at 7:30 in the evening.

TEACHERS' RECEPTION

White Ribboners Hostesses at Notable Social Event Last Evening

The most happy of all the splendid receptions annually given by the Santa Ana Woman's Christian Temperance Union for the teachers of the city schools, was the one given last night in the beautiful spacious First Methodist Episcopal church. These affairs are given that the patrons of the schools and the teachers may become more closely acquainted. The "getting acquainted" part of the affair of last evening was preceded by a banquet given at 7 o'clock in the banquet room of the church. Covers were laid for over 300 people and the long tables were decorated in autumnal colors. In the center of each table was a basket made from half a pumpkin and heaped high with rosy apples. The candles over the table were held in cornucopia receptacles, and Virginia creeper sprays in gorgeous autumn tints, scattered here and there lent vivid touches of color to the snowy linen. Asparagus ferns and Virginia creeper entwined the pillars throughout the room.

At each table were two hostesses who presided over the serving of the delicious chicken pie that was served with flaky mashed potatoes, cranberry jelly, pickles and delectable banana salad, and other delicacies. After the dessert course of ice cream and cake with coffee came the toasts, few in number but excellent in quality. Mrs. Lea Warren, local W. C. T. U. president, made an excellent address of welcome and then happily introduced Mrs. S. M. Davis, who made a most admirable toastmistress, punctuating her opening address and her introductions with wit and humorous stories. Prof. E. H. McMath, principal, responded to the toast, "The High School, Its Place and Purpose in the Community." He declared the high school to be no longer a mere feeder for colleges but to be the "people's college," preparing for business and the active duties of life as well as for the universities. He said it should be the social center where the taxpayers should have a meeting place the year around.

Prof. W. C. Roberts responded for the grade schools, making a witty speech on "The Three R's with Frills." He described old-time school methods, comparing them to the present ones with the "frills" of modern equipment and ideas, much to the favor of the present-day methods.

R. J. Hamilton, county Y. M. C. A. secretary, talked on "Character Building," representing pastors and teachers. He laid stress on the necessity of taking care of the leisure hours of the boys and girls out of school so that they shall be well conserved for the great purpose of building up strong and splendid characters.

Rev. Paul E. Wright spoke on the subject of "The Patrons—Are They Helps or Hindrances?" His talk abounded with humor and it was plain to see that he thought it was easy for the patrons to sometimes be hindrances to the work of the teacher, but that they should always endeavor to be helps to the splendid work of the schools.

Adjournment was made to the Sunday school auditorium where Prof. Haynes and his excellent Sunday school orchestra played several spirited and well rendered numbers. Ernest Crozier Phillips then read exquisitely "The Soul of the Violin," with musical accompaniment played by James Willis Rice. Mr. Phillips responded to an encore with "Compensation," a dainty poem written by his sister, Miss Phillips. Mrs. Warren presided during the program. The "getting acquainted" plan was then introduced by Mrs. G. P. Hill, the alphabetical grouping of the guests proving to be most entertaining and effectual. A very happy social hour resulted and many friends were made at this splendid reception which will long be remembered as one of the

Choral Society

Singers are notified that the rehearsal of the Choral Society on next Tuesday evening will take place at First Baptist church, Main street entrance, 7:30 sharp.

It is desired that all people who have voices in Santa Ana, to join this society. All are welcome.

AMUSEMENTS

"The Three of Us"

For an actor to achieve easy success with an audience by the use of heavy coats of grease paint, false noses, crepe hair or eccentric wigs, in the creation of what are known as "characters," is a sinecure compared with the actor who must depend entirely on his own personality, in playing a "straight" part. The job of the young man who plays the "leads" and "juveniles," is usually considered by the public as being one of the "soft" variety. "Why, all he has to do," the public says, "is to just be himself and be natural." "There's the rub," as Hamlet says. Just to be natural. Sounds easy, doesn't it? You could do it yourself. But have you ever tried it?

You might be given the part of a young person who, judging from the MSS. does and says nothing but simple, quite ordinary things. Try to play the part and you would soon find that merely acting on the stage as you would in every day life would be far from what was wanted. Your points would fail to "get over." Your footlights. Your gestures, which appear so natural and forceful to you on the street or in your home, would appear on the stage, as ineffectual and weak as a child's.

Mr. Arthur Collins succeeds admirably at the hard task of making a convincing, life-like portrait of Steve Townley, a young Westerner, in "The Three of Us." Mr. Collins' large experience in handling juvenile roles in amateur work, in such plays, produced locally, as "Arizona," "Santiago," "By the Enemies' Hands," and "Esmeralda," stands him in very good stead now and is helping him in the interpretation of the role of Townley, which will be, without a doubt the biggest, most interesting "lead" he has yet created.

There is a great amount of interest and enthusiasm on the public's part in the forthcoming presentation of "The Three of Us" at the Grand Opera House, Wednesday, November 13. Seats are selling at the Rowley Drug Company. Prices 25, 35 and 50 cents.

HIGH SCHOOL NOTES

The weekly high school assembly was held again yesterday morning. Football Manager Smith presented a report of the finances for Saturday's game. The total receipts were \$96.60; of this \$21.70 was spent to bring the two Long Beach teams here, printing cost \$5.00, the referee charged \$6.00 and other expenses amounted to \$6.45, making a total of \$39.15. The balance remaining for the high school treasury is \$54.45. Principal Hughes of the commercial department reports that \$185 has been received from the sale of the season tickets.

Sophie Hardy spoke on the prospects for the coming debate with Anaheim. Anaheim is one of the strongest schools in Southern California in debating and it will be no easy matter to hold the cup against her arguments.

Supt. Cranston was present and spoke on various topics, especially on school conduct. The attitude of the students this year has been very satisfactory; there has not been the confusion and disorder which has characterized the first month of school in former years.

Fullerton Y. M. C. A. Rally

There will be prominent speakers to present their views of the association work in the county and elsewhere. We hope this great medicine will yet be sold in every drug store in Porto Rico." For throat and lung troubles there is nothing better. A trial will convince you of its merit. 50c & \$1.00. Startling Presentation of Coming Events.

PASTOR RUSSELL'S VIEWS.

Churches of All Denominations and the Civil Powers of Earth Are About to Unite in Common Cause—Powerful Influence Preparing For the Battle of Armageddon—A Reign of Anarchy Will Be the Result of the Warfare Until The Messiah Takes Control.

Brooklyn, N. Y., Nov. 3. — The Brooklyn Academy of Music was crowded to the limit today to hear Pastor Russell's discourse on the "Battle of Armageddon." His text was: "He gathered them together unto a place called in the Hebrew tongue Armageddon."

(Revelation xvi, 16.) The speaker said: Armageddon in the Hebrew signifies the "Hill of Megiddo," or Mount of Destruction. It was famous as a battlefield in Old Testament times. The Lord has seen fit to associate the name Armageddon, with the great controversy between Truth and Error, right and wrong, God and Mammon, with which this Age will close, perish, and the New Age of Messiah's glory be ushered in. He has purposely used highly symbolical figures of speech in the last book of the Bible, evidently with a view to hiding certain important truths until the due time for their revelation. But even in the due time, the Bible assures us, "None of the wicked shall understand" (Daniel xii, 9, 10)—none who are out of heart harmony with God—but only the wise of His people—the "wise virgins" class of the Master's parable.

I have long availed presentation of my understanding of our text and its context. I take it up now by request and because I believe it is due time to be understood. I disclaim any special inspiration. In some particulars my views agree with those of other Bible students, and in other respects they disagree. Each hearer must use his own judgment, do his own Bible study, and reach his own conclusions.

Kindly remember that I am not responsible for the figures of speech used by the Lord. My interpretations do indeed constitute a terrible arraignment of institutions which we have all revered, and which embrace good people, of good words and good works. God's saintly people in these various institutions, being comparatively few, are ignored when systems as a whole are dealt with in prophecy.

The Dragon, Beast, False Prophet. Our context tells us that three impure spirits (teachings) will go forth from the mouths of the Dragon, the Beast and the False Prophet, and these three will be in accord, and symbolically the doctrines are represented by "frogs." These three doctrines are to have a mighty influence throughout the civilized earth. They are to gather the kings and their armies to the great Battle of Armageddon.

The ecclesiastical kings and princes, and their retinues of clergy and faithful adherents, will be gathered in solid phalanx—Protestant and Catholic. The kings and captains of industry, and as many as can be influenced by them, will be gathered to the same side. The political kings and princes, with all their henchmen and retainers, will follow in line on the same side. The financial kings and merchant princes, and all whom they can influence by the most gigantic power ever yet exercised in the world, will join the same side, according to this prophecy.

These "doctrines of demons," represented by the "frogs," will lead many noble people in this great army to assume an attitude quite contrary to their preference. For a time the wheels of liberty and progress will be turned backward and medieval restraints will be considered necessary for self-preservation—for the maintenance of the present order of things.

In giving this interpretation, it is necessary for us to indicate what is symbolized by the Dragon, the Beast, and the False Prophet. Bible students of nearly all denominations agree with us that the "Dragon" of Revelation represents the purely Civil Power. Protestant interpreters generally agree that the "Beast like a leopard" (Revelation xiii, 2) represents the Papacy. At fewer still, we fear, will be ready to support our view that Protestantism is the "Image of the Beast" (Revelation xiii, 15) in our context given another name, "the False Prophet." We urge no one to accept our interpretation, nor shall we think hard of any who refuse it. We will neither slander nor otherwise injure them now, nor threaten them with eternal torture. They have the same right to their views that I have, and the same right to make them known to others. And I, for one, will be very glad to consider anything which opponents may set forth as their interpretations of our text.

"Unclean Spirits Like Frogs." The symbolisms of Scripture, rightly understood, are always forceful. When the Holy Spirit used a "frog" to symbolically represent certain

doctrines or teachings, we may be sure the true application will fit well. A frog has a sage look, a wise look. It swells itself up in an apparent endeavor to impress the beholder. Its great mouth well represents its chief power, used to croak.

Applying these symbols, we learn that an evil spirit, influence, teaching, will come from the Protestant churches federated, from the Church of Rome, and from the Civil authorities, all in full agreement. The spirit of all will be boastful; an air of superior wisdom and knowledge will be proudly assumed—all will croak in harmony. All will tell of dire results that would follow, involving the interests of both the present and the future life. If their counsel be not followed. However conflicting the creeds, the differences will be ignored in the general proposition that nothing ancient must be disturbed, or looked into, or repudiated.

The Divine authority of the Church, and the Divine right of kings, aside from the Church, will not be allowed to conflict. Any persons or teachings in conflict with these boastful and unscriptural claims will be branded as everything vile, at the mouths of these "frogs" speaking from pulpits and platforms and through the religious and secular press. The nobler sentiments of some will be strangled by the philosophy of the same evil spirit which spoke through Calaphas, the high priest, respecting Jesus. As Calaphas declared it expedient to commit a crime in violation of justice, human and Divine, to be rid of Jesus and His teachings, so this "frog" spirit will approve of every violation of principle necessary to their self protection.

The croaking of these "frog" spirits or doctrines will gather the kings and princes, financial, political, religious and industrial into one great army. The spirit of fear, inspired by the croakings of these "frogs," will scourge the passions of otherwise good and reasonable men to fury, desperation. In their blind following of these evil spirits, evil doctrines, they will be ready to sacrifice life and everything on the altar of what they mistakenly suppose is justice, truth and righteousness, under a Divine arrangement.

For a brief time, as we understand the Scriptures, these combined forces of Armageddon will triumph. Free speech, free mails, and other liberties which have come to be the very breath of the masses in our day, will be ruthlessly shut off under the plea of necessity, the glory of God, the commands of the Church, etc. All will seem to be serene, until the great social explosion in our context described as the "great Earthquake." An "earthquake," in symbolic language, signifies social revolution, and the declaration of the context is that none like unto it ever before occurred. (Revelation xvi, 18, 19.) Jesus described it as a time of trouble such as never was since there was a nation.—Matthew xxiv, 21.

The Lord Will Gather Them. The false, frog-like teachings will gather together into one host the great, the rich, the wise, the learned and the kings of the earth, to battle. At this juncture Divine Power will step forward, and our text tells us that HE shall gather the marshaled hosts to Armageddon—the Mountain of Destruction. The very thing which they sought to avert by their union, federation, etc., will be the very thing they will hasten. Other Scriptures tell us that God will be represented by the Great Messiah, and that He will be on the side of the masses. Thus we read in Daniel xii, 1: "At that time shall Michael [the Godlike One—Messiah] stand up"—assume authority. He will take possession of His Kingdom in a manner little looked for by many of those who erroneously have been claiming that they were His Kingdom, and authorized by Him to reign in His name and in His stead.

Jesus declared, "His servants ye are unto whom ye render service." Some may be rendering service to Satan and to error, who claim to be rendering service to God and to righteousness; and some of these may be serving ignorantly, as did Saul of Tarsus, who "verily thought that he did God a service" in persecuting the Church. The same principle holds true reversely. As an earthly king does not hold himself responsible for the moral character of each soldier who fights in his battles, so the Lord does not vouch for the moral character of all who will enlist and fight on His side of any question. "His servants they are to whom they render service," whatever the motive or object prompting them.

The same principles will apply in the coming Battle of Armageddon. God's side of that battle will be the people's side, and the very nondescript host, the people, will be pitted at the beginning of the battle. Anarchists, Socialists, and hot-headed radicals of every school of reason and unreason, will be in the forefront of that battle. The majority of the poor and the middle class prefer peace at almost any price. A comparatively small number, God's consecrated people, will at heart be longing for Messiah's Kingdom. These will bide the Lord's time and wait patiently for it; they will be of good courage, knowing the outcome outlined in the "more sure word of prophecy," to which they have done well to take heed, "as unto a light shining in a dark place until the Day dawn."—1 Peter i, 19.

The masses will be restless of their restraints, but will be conscious of their own weakness as compared to the kings and princes, financial, religious and political, which will then hold sway. Besides, the masses have no sympathy with anarchy. They realize truly that the worst form of government is better than none. The masses will seek relief through the ballot and peaceful re-adjustment of earth's affairs for the elimination of evil, for

the placing of monopolies and utilities and the supplies of nature in the hands of the people for the public good. The crisis will be reached when the hitherto upholders of law shall become violators of the law and resistors of the will of the majority as expressed by the ballot. Fear for the future will lead the well-meaning masses to desperation; and anarchy will result when Socialism fails.

The Cloud's Silver Lining. Horrible would be this outlook for the future did we not have the infallible Word of God assuring us of a glorious outcome! Divine Wisdom has withheld until our day the great knowledge and skill which is at the same time breeding millionaires and discontents. Had God lifted the veil a thousand years sooner, the world would have lined up for its Armageddon a thousand years sooner. But that would have been too soon for the Divine purpose, because Messiah's Kingdom is to be the great Thousand-Year-Sabbath of the world's history. God in kindness veiled our eyes until the time when the gathering to Armageddon would immediately precede Messiah's taking to Himself His great power, and beginning His reign.—Revelation xi, 17, 18.

"Send Them Strong Delusions." St. Paul wrote prophetically of our time, that it would be one of serious trial and testing to many professing to be Christians. The reason for this he states—they received not the Truth in the love of it. (II Thessalonians ii, 10, 11.) They preferred their own erroneous theories, the Apostle explains, and therefore God will give them over to a "strong delusion," and let them believe the lie which they preferred, and let them suffer for missing the Truth which they did not love. Thus they will be in the condemned host, "fighting against God," because of their lack of love for the Truth.

It is sad to say that we all as Christians have been laboring under a thorough delusion respecting God's Plan. We have claimed that Christ set up His Church in Kingdom power, and that the Church has been reigning on the earth as His representative. On the strength of this delusion, Jews and heretics have been persecuted to death as opponents to Christ's Kingdom. All the while we thoughtlessly repeated the Lord's prayer: "Thy Kingdom come; Thy will be done on earth, as in Heaven." We knew that the Redeemer said that He would come again to make us His Bride and joint-heirs; but we ignored the Scriptures. We were drunk, as the Scriptures symbolically say, "all nations were drunk" with the false doctrine. It is this false doctrine that will constitute the "frog" spirit which soon will begin to croak and to prepare for Armageddon.

The Bible presentation is that the world is a section of the universe in rebellion against Divine authority, under the captaincy of Satan and his associated fallen angels. By Divine grace Jesus has already "tasted death for every man," and the merit of that sacrifice must, eventually, grant Adam and his posterity a full, fair opportunity for the attainment of everlasting life. All who thus see the Divine program and are walking in the light may know something at least respecting the "times and seasons." These brethren "are not in darkness, that that day [and that battle of Armageddon] should overtake" them "as a thief"—unaware.

Armageddon Not Yet but Soon. For forty years the Armageddon forces have been mustering for both sides of the conflict. Strikes, lockouts and riots, great and small, have been merely incidental skirmishes as the belligerent parties crossed each other's paths. Court and Army scandals in Europe, Insurance, Trust and Court scandals in America, have shaken public confidence. Dynamite plots, charged by turns on employees and on employers, have further shaken confidence and tended to make each distrustful of the other. Bitter and angry feelings on both sides are more and more manifest. The lines of battle are daily becoming more distinctly marked. Nevertheless Armageddon cannot yet be fought. Other matters intervene, according to prophecy.

Gentle times have still two years to run. The "Image of the Beast" of our context must yet receive life-power. The Image must be transformed from a mere mechanism to a living force. Protestant Federation realizes that its organization will still be futile unless it receive vitalization—unless its clergy directly or indirectly shall be recognized as possessed of apostolic ordination and authority to teach. This prophecy indicates will come from the two horned beast, which, we believe, symbolically represents the Church of England. High-handed activities of Protestantism and Catholicism, operating in conjunction for the suppression of human liberties, await this vivifying of the Image. This may come soon, but Armageddon cannot precede it, but must follow—perhaps a year after it, according to our view of the Prophecy.

Still another thing intervenes: Although the Jews are gradually flowing into Palestine, gradually obtaining control of the land of Canaan, and although reports say that already nineteen millionaires are there, nevertheless prophecy requires an evidently larger number of wealthy Hebrews to be there before the Armageddon crisis be reached. Indeed we understand that "Jacob's trouble" in the Holy Land will come at the very close of Armageddon. Then Messiah's Kingdom will begin to be manifested. Thenceforth Israel in the land of promise will gradually rise from the ashes of the past to the grandeur of prophecy. Through its Divinely appointed prince Messiah's Kingdom, all-powerful but invisible, will begin to roll away the curse and to lift up mankind.

LOS ANGELES PRODUCE MARKET

There were some changes in prices on poultry yesterday, and the market showed a slight tendency toward firmness. Fresh dressed turkeys were quoted at 25 to 27 cents, buying price, but dealers say they can be purchased for 20 to 22 cents, and besides that the demand for fresh dressed stock procured from producers is very light.

Hens were quoted at 16 to 17 cents, and fowls at 19 to 21 cents.

Pineapples were still out of the market, but shipments are expected very soon. A few boxes of raspberries came in and were selling at 12 cents. Receipts of apples were 6665 boxes. The late Howe cranberries received this year are of superior quality and are in good demand. Guavas, persimmons and pomegranates are in evidence. A considerable quantity of oranges came in.

There were no changes in vegetable prices. The supply was good, as usual. Seven sacks of sweet potatoes and ten sacks of onions were received. Receipts of potatoes were 4050 sacks.

Fresh northern cheese was a little weak yesterday, and some fair-sized lots were sold at 17 cents. This weakness in the market is expected to be only temporary, however. Receipts were 564 pounds.

Egg receipts were very light, twenty-seven cases. Prices were firm, but the demand for the local product was not heavy. An advance is likely to come soon, but dealers say eggs have already reached the maximum figure.

Butter was firm and the receipts were below the average, 14,160 pounds. Considerable butter has been changing hands above the market quotation.

AT THE COURTHOUSE

FRANCHISE IS APPLIED FOR

Pacific Electric Asks Right of
Way From County on
North Main

The Pacific Electric Railway Company has applied to the Board of Supervisors for a franchise for a part of the new electric line which it purposes to construct between Santa Ana and Orange. The franchise asked for is on North Main street, from the northern city limits to a point 341 feet to the north, where the projected line is to curve off onto the private right of way secured for the company, and on which it is necessary to secure no franchise.

The application of the company states that the franchise shall be for a term of fifty years, and provides for either a single or double track road, at the discretion of the company. The usual stipulation is made that the company shall pave and keep in repair the roadway between the tracks and for two feet on each side. The company has also applied for permission to cross the highway extending from the north end of C street to La Veta avenue, in Orange. The board will probably take up the application Monday, when it meets to canvass the election returns, in order that work on the project may be pushed.

Petition for letters
Levinia Mayfield has petitioned for letters of administration on the estates of M. E. Van Horn, who died on Nov. 6, 1912. The estate is valued at \$1300, consisting principally of property at Tustin.

Dismissal Filed
Dismissal has been filed in the suit of W. H. Manning vs. Francis E. Crawford et al, by the plaintiff's attorneys, Stutsman & Stutsman.

Canvass Vote Monday
The Board of Supervisors will meet at 10 o'clock Monday morning to canvass the votes of the bond election held last Monday, and the general election of the following day. The bond vote will be taken up first, and will probably be finished by noon. It is probable that the count will next be taken up in the Third supervisorial district, where Schumacher apparently defeated Cunningham for supervisor by a majority of two votes.

THE GOLDEN AGE AT HAND.

Scriptural Evidences That Are Astonishing—No One Can Afford to Be Without the Knowledge.

We do our friends a valuable service when we call their attention to the valuable book entitled, "THE TIME IS AT HAND," in which are given many Scriptural evidences to prove where we are on the stream of time.

"Men's hearts are failing them for fear" and many of the leading thinkers are proposing remedies to better conditions. The Scriptures assure us that man's extremity will be God's opportunity, and this book holds out an anchor to those who fear the wave of unrest now spreading over the world.

The honest heart confesses that it is at a loss for an explanation of transpiring events. While we refer to this as the BRAIN AGE and the AGE of ENLIGHTENMENT, nevertheless many realize that we are fast approaching a crisis which is wrapped in darkness owing to the present worldwide social, religious and political unrest.

As though by instinct the whole creation, while it groans and travails in pain together, waits for, longs for and hopes for the DAY, calling it the "GOLDEN AGE"; yet men grope blindly because not aware of the great Jehovah's gracious purposes. And to his wondering creatures, looking at the length and breadth, the height and depth of the love of God, surpassing all expectation. He explains: "My thoughts are not your thoughts, neither are your ways my ways, saith the Lord; for as the heavens are higher than the earth so are my ways higher than your ways, and my thoughts than your thoughts." Isa. 55:8, 9.

IN THE JUSTICE COURT

CHOLOS KEPT SHERIFF BUSY

Rival; Heavy Business at
the Jail

It was the Sheriff's busy day yesterday afternoon, and after a period of unusual quiet ten prisoners were brought to the county jail within a period of a few hours.

Shortly after noon news was received of a Mexican row at Los Alamitos, and Sheriff Ruddock and Deputy Squires went out. They found that Antonio Ramirez, a Mexican employed in the beet fields there, had gone home to dinner and found one Felix Ybarra in the house with the woman known as Ramirez' wife, who goes by the name of Delfina Guzman. Ramirez attacked Ybarra with a beet knife, and cut him several times about the head and also stabbed him in the arm. The entire party was brought to the jail, where Ybarra's injuries were dressed by County Physician Welch. A charge of assault with a deadly weapon was placed against Ramirez, and he will be arraigned Monday.

Negroes Held Over
Ernest Bryson and Harry Dement, negroes charged with a brutal assault on Henry Davis at Fullerton some time ago, were given an examination trial in the justice's court at that place yesterday. Bryson was held to the Superior Court on an assault charge, and Dement will be kept in jail to answer a charge of disturbing the peace.

Violated Parole
On their way back from Fullerton yesterday local officers came across E. D. Minnix, sent to Patton from this county some time ago under the inebriate act. Minnix was out on parole, and at the time the officers met him was in a wagon in company with a Mexican, and with a lot of empty bottles in the wagon. Minnix was brought to jail.

Minor Matters
Langro Gandara was arrested near the Delhi sugar factory yesterday on the charge of disturbing the peace. He pleaded guilty before Justice Cox this morning, and was fined \$10.

Frank Provo, who had been loafing around Tustin for some days, drinking and making a nuisance of himself, was brought in by Deputy Sheriff Squires yesterday afternoon and lodged in jail on a charge of disturbing the peace.

Sheriff Ruddock was summoned to Yorba at midnight last night to take charge of Delfina Salazar, who had been sentenced to thirty days in the county jail by Justice Lemke on a charge of disturbing the peace.

THE KEY OF KNOWLEDGE.

Things You Ought to Know—Especially Why God Has Permitted Evil.

Every Christian Bible Student SHOULD KNOW the satisfactory proofs that the Bible is a Divine Revelation—reasonable and trustworthy—revealing a Plan which is systematic, full of Justice, Wisdom and Love.

The Key of Knowledge of the Scriptures, long lost (Luke 11:52), is found, and gives God's faithful people access to the "Hidden Mystery" (Col. 1:26).

YOU SHOULD KNOW that the Lord Jesus and his faithful are to be not only Priests but Kings.

YOU SHOULD KNOW that this Kingdom is to come and God's will be done at the Second Advent.

YOU SHOULD KNOW that God's Plan is to select and save the Church in the Gospel Age, and to use this Church in blessing the world during the Mediatorial reign on earth.

YOU SHOULD KNOW that a "Ransom for all" implies an opportunity for Restoration to all.

YOU SHOULD KNOW that the Day of Judgment is 1,000 years long—the world's Trial Day.

YOU SHOULD KNOW that the Spiritual and Human natures are separate and distinct.

YOU SHOULD KNOW that the "Narrow Way" of self-sacrifice will cease with this age.

YOU SHOULD KNOW that the "Highway of Righteousness" without suffering will be open to all of the redeemed race during the Messianic reign on earth.

YOU SHOULD KNOW that the Kingdoms of This World are but for an ordained period and must then give place to the "Kingdom of Heaven"—"Thy Kingdom Come." Especially YOU OUGHT TO KNOW why God has permitted evil for six thousand years, and the relationship of God's people to this reign of sin and death and to the results.

These subjects and many others of deep interest to all of God's people are discussed fully and in language easy of comprehension in "THE DIVINE PLAN OF THE AGES."
